Class 2 Permit Modification Request
Allied Concrete Products, LLC
Arvonias, Virginia

Allied Concrete Products, LLC submitted a Class 2 permit modification request, pursuant to 40 CFR §270.42 Appendix I (A)(4)(b) to the Virginia Department of Environmental Quality (DEQ) dated April 26, 2013. Allied requested that the conditions in its former lightweight aggregate manufacturing operation Resource Conservation and Recovery Act (RCRA) Permit (VAD042755082) which address the Hazardous and Solid Waste Amendments of 1984 (HSWA), under the Virginia Corrective Action Program at the Allied facility located in Arvonias, Virginia be added to Allied's RCRA Permit No. VAD098443443. With the transfer of the Corrective Action Requirements into Permit No. VAD098443443, the former lightweight aggregate permit VAD042755082 will no longer be necessary and will be allowed to expire. A 60 day comment period will begin on April 26, 2013, during which time comments may be addressed to Mr. Russell McAvoy of the DEQ at P.O. Box 1105, Richmond, VA 23218. Mr. McAvoy may be reached at 804-698-4194. Comments addressed to Allied may be made via telephone to Mr. Peter Schmidt at 757-494-5200 or in writing to Allied Concrete Products, LLC, 3900 Shannon Street, Chesapeake, VA 23324. A public meeting will be held to discuss the modification request on May 28, 2013, at 6 p.m. at the Arvonias Volunteer Fire Department. Copies of the modification request are available at the former Allied facility on Route 652 in Arvonias, Virginia. The permittee's compliance history during the life of the permit being modified is available from the Agency contact person.
